Instructions to this QTR

1. The manufacturer should update the manufacturing summary whenever a change is made in the equipment or procedure. The manufacturer should inform these changes to TÜV SÜD with written notice.
2. The qualification process shall be repeated if any essential changes are made to the product route or the manufacturing procedure.
3. This qualification QTR is only applicable to the manufacturer name and address listed herein. If the manufacturing is at different plant/location, a separate qualification is required for each plant/location.
